Cartridge Capacity

A digital display counts down the duration.
When the display reaches "00," replace
your cartridge.

Dimensions

AirTracer
Handheld Smoke Generator
retrotec

Press Button to Operate

Smoke Diffuser

Attach the windscreen sponge to the diffuser tube & onto cartridge.

Results in "sitting smoke" for advanced diagnostics.

USB-C Charge

"Flashing" button indicates it's time to charge.

Magnetic Fixation

Attach & replace cartridges with ease.
